are practically annihilated  
by the ocean cables and

which now belt the cir-  
cumference of Old Earth in  
so many different directions. "Foreign parts" are no longer  
foreign in the old meaning of the term. Europe, Africa, Asia,  
are "next door" to us. What happens there to-day we know  
to-morrow—if we read THE CHICAGO RECORD, whose  
Special Cable Correspondents are located in every important  
city in the world outside of the United States. No other  
American newspaper ever attempted so extensive a service;  
and it is supplemented by the regular foreign news service  
of The Associated Press. For accurate intelligence of the  
stirring events which are shaking the nations—of wars and  
rumors of wars—of the threatening dissolution of old govern-  
ments and the establishment of new—of the onward sweep of  
the race in all parts of the world—the one medium of the  
most satisfactory information is the enterprising, "up-to-date"  
American newspaper, THE CHICAGO RECORD.

of Europe on the reverse side, will be mailed to any address free of  
charge on receipt of request accompanied by two 3-cent stamps to  
cover postage and wrapping. The maps illustrate clearly how comprehensively  
the special cable service of THE CHICAGO RECORD covers the entire civilized world. Ad-

EDISON'S PHONOGRAPH  
Better than a Piano, Organ, or Music Box, for it sings and talks as well as plays, and  
doesn't cost as much. It reproduces the music of any instrument—band or orchestra—tells  
stories and sings—the old familiar hymns as well as the popular songs—it is always ready.  
See that Mr. Edison's signature is on every machine. Cata-

Quick Relief For Asthma.

Miss Maude Dickens, Parsons,

with asthma in its worst form. I had  
several attacks during the last year

and Tar, and it has never failed to  
give immediate relief."

SESSION ENDED.

First Session of the Fifty-Sixth  
Congress Comes to a Close.

Patriotic Outburst in the House  
That Stirs Crowded Galleries  
to the Highest Pitch of  
Enthusiasm.

Washington, June 7.—Congress  
adjourned sine die at 5 o'clock this  
afternoon.

In the House, in marked contrast  
with the exciting incidents attend-  
ing the bitter struggles of the clos-  
ing hours of the session, Speaker  
Henderson laid down his gavel at  
the conclusion of one of the most  
picturesque scenes which has ever  
occurred in the Hall of Representa-  
tives.

Party passion and personal ran-  
cor, which have brought the House  
to the brink of actual riot several  
times during the last forty-eight  
hours, gave way in the closing half  
hour to good fellowship, which  
found vent in a patriotic outburst  
that stirred the crowded galleries  
to the highest pitch of enthusiasm.

During a brief recess taken with-  
in thirty minutes of the time fixed  
for the final adjournment to give the  
President an opportunity to fix his  
signature to the bills that were be-  
ing rushed to him for approval, a  
group of members, led by Messrs.  
Mercer, of Nebraska; Ball, of Texas,  
Fitzgerald, of Massachusetts, and  
Tawney, of Minnesota, congregated  
in the area to the left of the Speak-  
er's rostrum and began singing pa-  
triotic songs.

Cheers For Dixie.

The entire membership of the  
House joined in the choruses. The  
galleries applauded each song until  
the strains of "Dixie" filled the  
hall. Then the unbounded enthus-  
iasm broke out in wild cheers. But  
the enthusiasm "Dixie" evoked was  
not to be compared with the remark-  
able demonstration which followed  
when, in a clear, ringing  
tenor, Mr. Fitzgerald started the  
national anthem with the inspiring  
words:

"Through the dawn's of early  
light."

In an instant all the men, women  
and children in the galleries were  
on their feet, joining in the singing.  
The Speaker, pausing as he en-  
tered the hall, raised his voice also.  
The excitement produced by the  
scene overcame a white-haired old  
man in the gallery, and when the  
song ceased he jumped upon his  
seat and shouted:

"That is the song of the angels  
of heaven."

He was plainly a crank, but as  
he showed a disposition to har-  
angue the House, he was quickly  
ejected.

After Speaker Henderson had  
made a graceful farewell speech,  
thanking the members for their  
courtesy, and had declared the  
House adjourned, the members tes-  
tified to his popularity by singing  
"For He's a Jolly Good Fellow,"  
and the newspaper correspondents  
in the press gallery celebrated their  
emancipation from the burdens of  
Congress by singing the "Doxology."

The House reversed its action of  
last night in turning down the con-  
ference on the naval bill for yielding  
on the item relating to ocean sur-  
veys. It was a distinct victory for  
the old conferees, Messrs. Foss,  
Dayton and Cummings.

LEVEE GIVES WAY.

Crevasse Five Miles Above New  
Orleans and Plantations Are  
Flooded.

New Orleans, June 7.—The levee  
at Amesville, a settlement in Jeffer-  
son parish, and located on the right  
bank of the Mississippi river, five  
miles above New Orleans, caved in  
this afternoon at 1:30 o'clock. At  
2:15 the break was 200 feet wide  
and spreading. The plantation of  
Sheriff L. H. Marrero, of Jefferson  
parish, is just behind the cave and  
is inundated. The platform house  
floors are under water. The river  
is not, fortunately, very high, but  
the waters are rushing through the  
gap and serious damage may re-  
sult.

Kissing is going out of fash-  
ion.

When winter comes the vital forces of  
nature are low, and the tree stands like  
a solitary monument to the dead sum-  
mer. In the winter of life, active men  
experience a similar lower-  
ring of vitality. In some the effect is  
startling. They loose their grip on  
life. They seem like monuments of  
a buried past. At this crisis there is need  
of a medicine  
which will nourish and build up the  
body, and increase its vital power. Such  
a medicine is Dr. Pierce's Golden Medical  
Discovery. It enriches the blood,  
purifies it, carries off the clogging waste  
of the system, increases the nutrition of  
the body, and produces a sound, healthy  
condition with abundant vital power and  
physical energy.

David Duggins, Esq., of Jones, Ohio Co., Ky.,  
writes: "When I began taking Dr. Pierce's  
Golden Medical Discovery I think I had nervous  
or general debility of three years' duration. I  
took three bottles of the 'Discovery.' During  
the time I was taking it my sleep became more  
refreshing and I gained fifteen pounds weight,  
and also gained strength every day. It has been  
six months since I took the medicine and I still  
have reasonable health. I am willing to have  
you publish this, and also my former letter,  
if you wish to, and if it proves to be of benefit  
to any afflicted person I will feel well repaid."  
There is no alcohol or other intoxicant  
in "Golden Medical Discovery," neither  
opium or other narcotic drugs.

The dealer who offers a substitute for  
the "Discovery" is seeking to profit  
himself, not to help you. Insist on hav-  
ing "Golden Medical Discovery."

Adviser is sent free, on receipt of stamps
